

INTERNATIONAL GERIATRIC MENTAL HEALTH VIDEOCONFERENCE ROUNDS

~ IN COLLABORATION WITH ~

Neurodegenerative or not? Connections between psychiatric and age-related disorders of cognition.

Brandy Callahan, PhD., University of Calgary
Assistant Professor, Psychology
Canada Research Chair, Adult Clinical Neuropsychology
University of Calgary

Friday, April 21, 2023

8 a.m. – 9 a.m. Eastern Standard Time (Toronto)

Educational Objectives

1. Identify non-neurodegenerative causes of memory impairment in mid and later life.
2. Recognize signs of degenerative vs. non-degenerative causes of cognitive impairment.
3. Describe links between psychiatric and neurologic disorders in aging.
